

MDS – Modular Damper System

- Independent Bump and Rebound Adjustment
- Individual Damping Characteristic
- Configurable Adjustment Range
- Low Hysteresis
- Low Friction
- Perfect Reproducibility
- 10 Well Defined Clicks
- Easy To Handle

- Configurable Standard Dimensions
- Dimensioning Regarding To Customer Request
- Vehicle Specific Solutions
 - Aston Martin GT1 / GT3
 - Corvette GT1 / GT3
 - Porsche 996 / 997
 - Lola LMP 1
 - Dallara F3
